

5342 RED FOX DRIVE,
BRIGHTON, MI 48114

OFFERED AT
\$575,000

Lakefront!

Some lake homes are built around the view. This one is built around the way you'll live in it. With 122 feet of direct frontage on the private 26-acre electric-motor Lake of the Pines, this floor plan makes the most of the setting, with gathering spaces positioned to keep the water in sight and everyday life connected to the outdoors.
