AMENDED AND RESTATED CONDOMINIUM BYLAWS FOR
BELMONTE AT SILVERCREEK

ARTICLE I

ASSOCIATION OF CO-OWNERS

SECTION 1. The Association. Belmonte at Silvercreek, a residential Condominium project located in the Township of Oakland, Oakland County, Michigan, shall be administered by an association of Co-owners which shall be a nonprofit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium Project, subject to and in accordance with the Amended and Restated Master Deed, these Bylaws, the Articles of Incorporation, and duly adopted Rules and Regulations of the Association, and the laws of the State of Michigan. All Co-owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

SECTION 2. Purpose of the Bylaws. These Bylaws are designated as both the Condominium Bylaws, relating to the manner in which the Condominium and the common affairs of the Co-owners of the Condominium Units shall be administered, as required by Act No. 59 of the Public Acts of Michigan of 1978, as amended, and the Association or Corporate Bylaws, governing the operation of the Association as a corporate entity, as required by Act No. 162 of the Public Acts of Michigan of 1982, as amended.

ARTICLE II

ASSESSMENTS

SECTION 1. Taxes and Assessments; Expenses of Administration. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration. Governmental special assessments and property taxes shall be assessed against the individual Condominium Units identified as Units on the Condominium Subdivision Plan and not on the total property of the project or any other part thereof. Governmental special assessments and property taxes in any year in which the property existed as an established condominium project on the tax day shall be assessed against the individual Condominium Unit, notwithstanding any subsequent vacation of the condominium project. The levying of all property taxes and governmental special assessments shall comply with Section 131 of the Act.

SECTION 2. Assessments for Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by or in connection with the Common Elements or the administration of the Condominium shall be expenses of administration; and all sums received as proceeds of, or pursuant to, any policy of insurance carried by the

Association securing the interests of the Co-owners against liabilities or losses arising within, caused by or connected with the Common Elements or the administration of the Condominium shall be receipts of administration, within the meaning of Section 54(4) of the Act, except as modified by the specific assignment of responsibilities for costs contained in Article IV, Section C of the Amended and Restated Master Deed.

SECTION 3. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

A. Annual Budget. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium, including a reasonable allowance for contingencies and reserves. Any budget adopted shall include an allocation to a reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis, in accordance with subsection D. hereof. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each Co-owner and the assessment for the year shall be established based upon said budget, although the failure to deliver a copy of the budget to each Co-owner shall not affect or in any way diminish the liability of any Co-owner for any existing or future assessments.

B. Additional Assessments. The Board of Directors shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary in the Board's sole discretion, provided that the same shall be required for only the following: (i) to meet deficits incurred or anticipated because current assessments are insufficient to pay the costs of operation and maintenance; (ii) to provide repairs or replacements of existing Common Elements; (iii) to provide for additions to the Common Elements at an annual cost not exceeding 10% of the annual operating budget, or (iv) for any emergencies. The Board of Directors shall also have the authority, without the necessity of Co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 4 hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit of the Association and its members, and shall not be enforceable by any creditors of the Association or its members.

C. Special Assessments. Special assessments, in addition to those described in subparagraph A. above, may be made by the Board of Directors from time to time if approved by the Co-owners as provided herein, to meet other requirements of the Association, including, but not limited to: (i) assessments for additions to Common Elements whose total annual cost exceeds 10% of the annual operating budget annually; (ii) assessments to purchase a Unit upon foreclosure of the lien for assessments described hereafter; or (iii) assessments for any other appropriate purpose not elsewhere described. Special Assessments as provided for by this subparagraph shall not be levied without the prior approval of more than sixty (60%) percent of all Co-owners. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and its members and shall not be enforceable by any creditors of the Association or its members.

D. Reserve Fund. The Board of Directors shall maintain a reserve fund solely for major repairs and replacements of common elements and emergency expenditures, which reserve fund shall be in the amount of not less than ten (10%) percent of the Association's annual budget (excluding that portion of the budget allocated to the reserve fund itself) on a noncumulative basis. The Association may increase or decrease the reserve fund but may not reduce it below ten (10%) percent of the annual budget of the Association. The reserve must be funded at least annually from the proceeds of the regular monthly payments set forth in Subparagraph A of this Section, rather than by special assessments, but may be supplemented by additional or special assessments if determined necessary by the Board of Directors. The minimum standard required by this subsection may prove to be inadequate. The Board of Directors shall annually consider the needs of the Condominium to determine if a greater amount should be set aside in reserve or if additional reserve funds should be established for any other purposes. The Board may adopt such rules and regulations as it deems desirable from time to time with respect to type and manner of investment, funding of the reserves, disposition of reserves or any other matter concerning the reserve account(s).

E. Master Association Assessments. The Belmonte at Silvercreek Condominium Association is a member of the Master Association. The Master Association has responsibility for insurance, maintenance, repair and replacement of Common Areas of the Master Development as described in the Declaration. The Master Association shall assess Belmonte at Silvercreek Condominium Association and the other condominium associations which are members of the Master Association pro rata, based on the number of Units in each condominium of the Master Development compared to the total number of units in the Master Development, for the costs for such insurance, maintenance, repair and replacement which assessments shall be a cost of administration of the Project and collected from the Owners as set forth in these Bylaws and the Declaration. The Master Association shall have a lien for such charges against each Owner's Unit and the Owner as set forth in the Declaration. By acceptance of a deed to a Unit, each Co-Owner covenants and agrees to pay to the Master Association: (a) all annual assessments or charges when due; and (b) special assessments, if any, for capital improvements to be established and collected as set forth in the Declaration.

SECTION 4. Payment of Assessments and Penalty for Default. All assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners in accordance with the percentage of value allocated to each Unit in the Amended and Restated Master Deed. Annual assessment shall be payable by Co-owners annually or in such installments as may be provided by the Board in its sole discretion, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means. The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association in full on or before the due date for such payment. Assessments in default shall bear interest at the highest rate allowed by law until paid in full. In addition, all assessments, or installments thereof, which remain unpaid as of ten (10) days after the due date, shall incur a uniform late charge of ten percent (10%) of the assessment not paid, but in no event less than \$25.00, to compensate the Association for administrative costs incurred as a result of the delinquency. The Board of Directors may revise said uniform late charges, and may levy additional late fees for special and additional assessments, pursuant to Section 11 of Article VI of these Bylaws, without the necessity of amending these Bylaws. In the event of any delinquency, the Board shall have the right to accelerate any of the remaining unpaid installments of the annual

assessment for that fiscal year and declare them to be immediately due and payable. Each Co-owner (whether one or more persons) shall be personally liable for the payment of all assessments (including late fees and costs of collection and enforcement of payment, including actual attorney's fees) levied against his Unit while such Co-owner has an ownership interest therein. Payments on account of installments of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including attorney's fees; second, to any interest charges, fines and late fees on such installments; and third, to installments in default in order of their due dates. A Co-owner selling a Unit shall not be entitled to any refund whatsoever from the Association with respect to any reserve account or other asset of the Association.

SECTION 5. Waiver of Use or Abandonment of Unit. No Co-owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit.

SECTION 6. Enforcement.

A. Statutory Lien. Sums assessed to a Co-owner which are unpaid, together with interest of such sums, collection and late charges, advances made by the Association for taxes or other liens to protect its lien, attorneys fees and fines (as allowed by the Condominium Documents or the Act), constitute a lien upon the Unit or Units in the development owned by the Co-owner at the time of the assessment before other liens except tax liens on the Condominium Unit in favor of any state or federal taxing authority and sums unpaid on the first mortgage of record, except that past due assessments which are evidenced by a notice of lien, recorded as provided hereafter in this Section 6, have priority over a mortgage recorded subsequent to the recording of the notice and affidavit of lien. The lien upon each Condominium Unit owned by the Co-owner shall be in the amount assessed against the Condominium Unit, plus a proportionate share of the total of all other unpaid assessments attributable to Condominium Units no longer owned by the Co-owner but which became due while the Co-owner had title to the Condominium Units. The lien may be foreclosed by judicial action or by advertisement in the name of the condominium project on behalf of the other Co-owners as hereinafter provided.

B. Remedies. The Association may enforce collection of delinquent assessments by a suit of law for money judgment or by foreclosure of the statutory lien that secures payment of assessments. A Co-owner may not assert in an answer, or set-off to a complaint brought by the Association for non-payment of assessments, the fact that the Association or its agents have not provided services or management to a Co-owner. A Co-owner in default shall not be entitled to utilize any of the General Common Elements of the Project, shall not be qualified to run for or function as an officer or Director of the Association, and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided, however, this provision shall not operate to deprive any Co-owner of ingress or egress to and from his Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him, and if the Unit is not occupied by the Co-owner, to lease the Condominium Unit and collect and apply the rental therefrom. The Association may also assess fines for late payment or non-payment of assessments in accordance with the provisions of Article XVI of these Bylaws. All remedies shall be cumulative and not alternative.

C. Foreclosure of Lien. Each Co-owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose of the lien securing payment of assessments, costs and expenses, either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, and the provisions of Section 108 of the Act, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligation of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Project, shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit (and improvements) with respect to which assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Co-owner of a Unit in the Project acknowledges that at the time of acquiring title to such Unit, he was notified of the provisions of this Section 6 and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject Unit.

D. Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of ten (10) days after mailing by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address, of a written notice that one or more installments of the annual assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within ten (10) days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (i) the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (iv) the legal description of the subject Unit(s), and (v) the name(s) of the Co-owner(s) of records. Such affidavit shall be recorded in the Office of the Register of Deeds in the County in which the Project is located prior to the commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within the ten (10) day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the representative designated above and shall inform such representative that he may request a judicial hearing by bringing suit against the Association.

E. Expenses of Collection. All expenses incurred in collecting unpaid assessments, including interests, fines, costs, actual attorneys' fees (not limited to statutory fees) and advances for taxes or other liens or costs paid by the Association to protect its lien, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit.

SECTION 7. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage covering any Unit in the Project, or its successors and assigns, which comes into possession of the Unit pursuant to the foreclosure remedies provided in the mortgage, shall take the property free of any claims for

unpaid assessments or charges against the mortgaged Unit which become due prior to the acquisition of title to the Unit by such person or entity, except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit, and except for claims evidenced by a Notice of Lien recorded prior to the recordation of the first mortgage.

SECTION 8. Assessment Status Upon Sale of Unit. Upon the sale or conveyance of a Condominium Unit, any unpaid assessments, interest, late fees, fines, costs and attorney's fees against the Condominium Unit shall be paid out of the net proceeds of the sale price or by the purchaser in preference over any other assessments or charges of whatever nature except (a) amounts due the State of Michigan or any subdivision thereof for taxes or special assessments due and unpaid and (b) payments due under first mortgages having priority to the Association's lien for unpaid assessments. A purchaser of a Condominium Unit is entitled to a written statement from the Association setting forth the amount of unpaid assessments, interest, late fees, fines, costs and attorney's fees outstanding against the Unit and the purchaser is not liable for any unpaid assessments, interest, late fees, fines, costs and attorney's fees in excess of the amount set forth in such written statement, nor shall the Unit be subject to any lien for any amounts in excess of the amount set forth in the written statement. Any purchaser or grantee who fails to request a written statement from the Association as provided herein at least five (5) days before the conveyance shall be liable for any unpaid assessments against the Unit together with interest, late fees, fines, costs and attorneys' fees incurred in connection with the collection of such assessments.

SECTION 9. Construction Liens. Construction liens attaching to any portion of the condominium premises shall be subject to the following limitations and Section 132 of the Act:

A. Except as provided herein, a construction lien for work performed upon a Condominium Unit or upon a Limited Common Element may attach only to the Condominium Unit upon which the work was performed.

B. A construction lien for work authorized by the Association may attach to each Condominium Unit only to the proportionate extent that the Co-owner of the Condominium Unit is required to contribute to the expenses of administration as provided by the condominium documents.

C. A construction lien may not arise or attach to a Condominium Unit for work performed on the Common Elements not contracted for by the Association.

ARTICLE III

ARBITRATION

SECTION 1. Arbitration. Disputes, claims, or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among or between Co-owners, or between a Co-owner or Co-owners and the Association shall, upon the election and written consent of the parties to any such disputes, claims or grievances and written notice to the Association, if applicable, be submitted to arbitration and parties thereto shall accept the arbitrator's decision as final and binding. The

Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

SECTION 2. Right to Judicial Action. In the absence of the election and written consent of the parties pursuant to Section 1, above, no Co-owner or the Association shall be precluded from petitioning the courts to resolve any such disputes, claims or grievances.

SECTION 3. Effect of Election to Arbitrate. Election by the parties to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

SECTION 4. Civil Actions. Actions on behalf of and against the Co-owners shall be brought in the name of the Association. Subject to the expressed limitations on actions in these Bylaws and the Articles of Incorporation of the Association, the Association may assert, defend or settle claims on behalf of all Co-owners in connection with the Common Elements of the Condominium.

ARTICLE IV

INSURANCE

SECTION 1. Extent of Coverage. The Association shall carry fire and extended coverage, vandalism and malicious mischief and liability insurance, and workmen's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the Common Elements of the Condominium, Fidelity Bond coverage for the members of the Board and any management agent who has access to and authority over any monies received by or payable to the Association, Directors and Officers Liability coverage, and such other insurance as the Board of Directors deems advisable, and all such insurance shall be carried and administered in accordance with the following provisions:

A. Respective Responsibilities. All such insurance shall be purchased by the Association for the benefit of the Association, the Co-owners and their mortgagees, as their interests may appear; and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners. Unit owners are advised that the Association's coverage is not intended to be complete as to all matters, and the Co-owners have an obligation to provide certain coverages as outlined in this Article. Co-owners are advised to consult with their insurance advisors to determine what additional insurance they must obtain upon their Units and appurtenant Limited Common Elements, at their own expense, in addition to the coverage carried by the Association.

It shall be each Co-owner's responsibility to obtain insurance coverage for:

- their interior finishes and all upgrades, improvements and betterments of the Unit and Limited Common Elements, including carpeting, wall and floor coverings and paint;
- water heaters, heating and air conditioning equipment;
- all appliances;
- furniture and personal property located within a Unit or elsewhere in the Condominium;

- personal liability and property damage for occurrences within a Unit or upon Limited Common Elements appurtenant to a Unit involving items for which the Co-owner is responsible for insuring as stated herein;
- alternative living expense in event of fire or other casualty.

The Association shall have absolutely no responsibility for obtaining such coverages. Each Co-owner, if required by the Association, shall deliver certificates of insurance to the Association from time to time to evidence the continued existence of all insurance required to be maintained by the Co-owner hereunder. In the event of the failure of a Co-owner to obtain such insurance or to provide evidence thereof to the Association, the Association may, but is not required to, obtain such insurance on behalf of such Co-owner and the premiums therefore shall constitute a lien against the Co-owner's Unit which may be collected from the Co-owner in the same manner that Association assessments may be collected in accordance with Article II hereof.

The Association and all Co-owners shall use their best efforts to see that all property and liability insurance carried by the Association or any Co-owner shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association. The liability insurance carried by the Association and the Co-owners shall, where appropriate, contain cross-liability endorsements to cover liability of the Co-owners as a group to another Co-owner.

B. Insuring of Common Elements. All Common Elements of the Condominium shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an agreed amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association in consultation with its appropriate professional advisors. Such coverage shall also include interior walls within any Unit and the pipes, wires, conduits and ducts contained therein and shall further include all fixtures and trim within a Unit which were furnished with the Unit as standard items, in accord with the plans and specifications for the Project on file with the Township of Oakland, or such replacements thereof as do not exceed the cost of such standard items. Such fixtures and trim are to consist of standard bathroom and kitchen fixtures, countertops and cabinets, but shall specifically exclude appliances, water heaters, heating and air conditioning equipment, window treatments, wallcovering and floor covering. Any improvements, modifications or items installed in addition to such standard items, regardless of by whom installed, shall be covered by insurance obtained by and at the expense of the individual Co-owners.

C. Cost of Insurance. All premiums for insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

D. Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association, the Co-owners and their mortgagees as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction, and in no event shall hazard insurance proceeds be used for any purpose other than for repair, replacement or reconstruction of the Condominium unless all of the institutional holders of first mortgages on Units in the Condominium have given their prior

written approval.

E. Determination of Primary Carrier. It is understood that there may be overlapping coverage between the Co-owners' policies and those of the Association, as required to be carried pursuant to this Article, due to the fact that standard policies may not be tailored to provide coverages as outlined specifically herein. In situations where both coverages/policies may be applicable to a given loss, the provisions of this subsection shall control in determining the primary carrier.

In cases of property damage to the Unit and its contents, Limited Common Element or other element or property for which the Co-owner is assigned responsibility for insurance pursuant to the provisions of this Article IV (including improvements and betterments or incidental or consequential damages to any other Unit resulting from an item, element or occurrence for which the Co-owner is assigned responsibility in Article IV of the Master Deed), the Co-owner's policy/carrier shall be deemed to be the primary carrier.

In cases of property damage to the General Common Elements or a Limited Common Element for which the Association is assigned responsibility for insurance pursuant to the provisions of this Article IV, the Association's policy/carrier shall be deemed to be the primary carrier.

In cases of liability for personal injury or otherwise, for occurrences in/on the Unit or in/upon a Limited Common Element for which the Co-owner is assigned responsibility for maintenance, repair and replacement pursuant to the provisions of Article IV of the Amended and Restated Master Deed, the Co-owner's policy/carrier shall be deemed to be the primary carrier.

In cases of liability for personal injury or otherwise, for occurrences in/on the General Common Elements or in/upon a Limited Common Element for which the Association is assigned responsibility for maintenance, repair and replacement pursuant to the provisions of Article IV of the Amended and Restated Master Deed, the Association's policy/carrier shall be deemed to be the primary carrier.

In all cases where the Association's policy/carrier is not deemed the primary policy/carrier, if the Association's policy/carrier contributes to payment of the loss, the Association's liability to the Co-owner shall be limited to the amount of the insurance proceeds, and shall not in any event require or result in the Association paying or being responsible for any deductible amount under its policies.

In cases where the Co-owner's policy is deemed primary for the purpose of covering losses where the damage is incidental or caused by a General Common Element or the repair or replacement thereof, the insurance carrier of the Co-owner shall have no right of subrogation against the Association or its carrier.

SECTION 2. Association as Attorney-in-Fact. Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project, his Unit and the Common Elements thereof. Without limitation on the generality of the foregoing, the

Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

SECTION 3. Indemnification. Each individual Co-owner shall indemnify and hold harmless every other Co-owner and the Association from all damages and costs, including attorneys' fees, which such other Co-owners or the Association may suffer as a result of defending any claim arising out of an occurrence on or within such individual Co-owner's Unit or appurtenant Limited Common Elements and shall carry insurance to secure this indemnity if so required by the Association. This Section 3 shall not, however, be construed to give any insurer any subrogation right or other right or claim against any individual Co-owner.

ARTICLE V

RECONSTRUCTION OR REPAIR IN CASE OF CASUALTY

SECTION 1. Determination of Responsibility. This Article shall apply only to damage by insured casualty or other insured event. Any all other situations, maintenance, repair and replacement shall be governed by the allocation of responsibilities contained in Article IV, Section 3 of the Amended and Restated Master Deed. If any part of the Condominium shall be damaged by insured casualty, the determination of whether or not it shall be reconstructed or repaired shall be made in the following manner:

A. Repair or Reconstruction. If the damaged property is a Common Element or a Unit, the property shall be rebuilt or repaired if any Unit in the Condominium is tenantable, unless it is determined by the affirmative vote of eighty (80%) percent of the Co-owners in the Condominium that the Condominium shall be terminated, and each institutional holder of a first mortgage lien on any Unit in the Condominium has given prior written approval of such termination.

B. Decision Not to Repair or Reconstruct. If the Condominium is so damaged that no Unit is tenantable, and if each institutional holder of a first mortgage lien on any Unit in the Condominium has given its prior written approval of the termination of the Condominium, the damaged property shall not be rebuilt and the Condominium shall be terminated, unless eighty (80%) percent or more of all Co-owners in number and value agree to reconstruction by vote or in writing within ninety (90) days after the destruction.

SECTION 2. Repair and Reconstruction To Condition Existing Prior to Damage. Any such reconstruction or repair shall be substantially in accordance with the Amended and Restated Master Deed and the plans and specifications for the Condominium to a condition as comparable as possible to the condition existing prior to damage unless the Co-owners shall unanimously decide otherwise.

SECTION 3. Co-owner Responsibility for Reconstruction or Repair.

A. Definition of Responsibility. If the damage is only to a part of a Unit or Common Elements which are the responsibility of a Co-owner to insure, it shall be the responsibility of the Co-owner to promptly repair such damage in accordance with Subsection B. hereof. In all other cases, the responsibility for reconstruction and repair, although not necessarily the costs thereof, shall be that of the Association.

B. Co-owner Items. Regardless of the cause or nature of any damage or deterioration, including but not limited to incidents where the damage is incidental or caused by a General Common Element or the repair or replacement thereof, each Co-owner shall be responsible for the reconstruction and repair of interior finishes and all upgrades, improvements and betterments of the Unit and Limited Common Elements, including carpeting, wall and floor coverings, paint, water heaters, heating and air conditioning equipment, all appliances whether freestanding or built-in, furniture and personal property located within a Unit or elsewhere in the Condominium. In the event damage to interior walls within a Co-owner's Unit or to pipes, wires, conduits, ducts or other Common Elements therein is covered by insurance held by the Association, then the reconstruction or repair shall be the responsibility of the Association in accordance with Section 4 of this Article, although the responsibility for costs thereof shall be allocated in accordance with the provisions of this Section and Section 4. In no event shall the Association be responsible for restoration of more than finished, unpainted drywall in the case of damage to ceilings and walls which are the responsibility of the Association under this Article. If any other interior portion of a Unit is covered by insurance held by the Association for the benefit of the Co-owner, the Co-owner shall be entitled to receive the proceeds of insurance relative thereto, (but the Co-owner shall be responsible for any deductible amount), and if there is a mortgagee endorsement, the proceeds shall be payable to the Co-owner and the mortgagee jointly. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Association promptly shall so notify each institutional holder of a first mortgage lien on any Unit in the Condominium.

SECTION 4. Association Responsibility for Reconstruction or Repair of Common Elements. Subject to the responsibility of the individual Co-owners as outlined in Section 3 above, the Association shall be responsible for the reconstruction and repair of the General Common Elements and those Limited Common Elements for which it is assigned such responsibility in Article IV of the Amended and Restated Master Deed. Under no circumstances shall the Association be responsible for incidental or consequential damage to a Unit, Limited Common Elements, personal property, or other property that is the responsibility of a Co-owner pursuant to Section 3 immediately above. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance, repair or reconstruction, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against the Co-owners who are responsible for the costs of reconstruction or repair of the damaged property (as provided in Article IV of the Amended and Restated Master Deed) in sufficient amounts to provide funds to pay the estimated or actual costs of repair.

SECTION 5. Timing. If damage to the General Common Elements adversely affects the appearance of the Project, the Association shall proceed with replacement of the damaged property without delay.

SECTION 6. Eminent Domain. Section 133 of the Act (to the extent not inconsistent with the following) and the following provisions shall control upon any taking by eminent domain:

A. Common Elements Taken by Eminent Domain. If any portion of the Common Elements is taken by eminent domain, the award therefor shall be allowed to the Co-owners in proportion to their respective undivided interests in the Common Elements. The Association, acting through its Board of Directors, may negotiate on behalf of all Co-owners for any taking of the Common Elements and any negotiated settlement approved by more than two-thirds (2/3) of the Co-owners in number and value shall be binding on all Co-owners.

B. Condominium Unit Taken by Eminent Domain. If a Unit is taken by eminent domain, the undivided interest in the Common Elements appertaining to the Condominium Unit shall thenceforth appertain to the remaining Condominium Units, being allocated to them in proportion to their respective undivided interests in the Common Elements. The Court shall enter a decree reflecting the reallocation of the undivided interest in the Common Elements as well as for the Condominium Unit.

C. Partial Taking of a Condominium Unit. If portions of a Condominium Unit are taken by eminent domain, the court shall determine the fair market value of the portions of the Condominium Unit not taken. The undivided interest of such Condominium Unit in the Common Elements shall be reduced in proportion to the diminution in the fair market value of such Condominium Unit resulting from the taking. The portions of undivided interest in the Common Elements thereby divested from the Co-owners of such Condominium Unit shall be reallocated among the other Condominium Units in the condominium project in proportion to their respective undivided interests in the Common Elements. A Condominium Unit partially taken shall receive the reallocation in proportion to its undivided interest as reduced by the court under this subsection. The court shall enter a decree reflecting the reallocation of undivided interests produced thereby, and the award shall include just compensation to the Co-owner of the Condominium Unit partially taken for that portion of the undivided interest in the Common Elements divested from the Co-owner and not re-vested in the Co-owner pursuant to the following subsection, as well as for that portion of the Condominium Unit taken by eminent domain.

D. Impossibility of Use of Portion of Unit not Taken by Eminent Domain. If the taking of a portion of a Condominium Unit makes it impractical to use the remaining portion of that Condominium Unit for a lawful purpose permitted by the condominium documents, then the entire undivided interest in the Common Elements appertaining to that Condominium Unit shall thenceforth appertain to the remaining Condominium Units, being allocated to them in proportion to their respective undivided interests in the Common Elements. The remaining portion of that Condominium Unit shall thenceforth be a Common Element. The court shall enter an order reflecting the reallocation of undivided interests produced thereby, and the award shall include just compensation to the Co-owner of the Condominium Unit for the Co-owner's

entire undivided interest in the Common Elements and for the entire Condominium Unit.

E. Future Expenses of Administration Appertaining to Condominium Unit(s) Taken by Eminent Domain. Votes in the Association of Co-owners and liability for future expenses of administration appertaining to a Condominium Unit taken or partially taken by eminent domain shall thenceforth appertain to the remaining Condominium Units, being allocated to them in proportion to their relative voting strength in the Association. A Condominium Unit partially taken shall receive a reallocation as though the voting strength in the Association was reduced in proportion to the reduction in the undivided interests in the Common Elements.

F. Condominium Continuation after the taking by Eminent Domain. In the event the Condominium continues after a taking by eminent domain, then the remaining portion of the Condominium shall be re-surveyed and the Master Deed amended accordingly. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Co-owner, but only with the prior written approval of all holders of first mortgage liens on individual Units in the Condominium.

G. Condemnation or Eminent Domain Proceeding. In the event any Unit in the Condominium, or any portion thereof, or the Common Elements, or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

SECTION 7. Rights of First Mortgagees. Nothing contained in the Condominium Documents shall be construed to give a Condominium Unit Owner, or any other party, priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Condominium Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

ARTICLE VI

RESTRICTIONS

SECTION 1. Use of Condominium Unit.

A. Single Family Use. No Unit in the Condominium shall be used for other than single-family residential purposes (as defined by the Township of Oakland Zoning Ordinances), and the Common Elements shall be used only for purposes consistent with the use herein stated. No Co-owner shall carry on any commercial activities anywhere on the premises of the Condominium, except that Co-owners shall be allowed to have offices in their homes, provided the same do not constitute a violation of any ordinances or regulations of the Township of Oakland, and do not involve additional pedestrian or vehicular traffic and/or congestion within the Condominium, do not disturb other Co-owners, do not involve additional expense to the Association (such as utility charges and insurance), and do not violate any other provision or restriction contained in the Condominium Documents.

B. Occupancy Restrictions. All Units shall be occupied in strict conformance with the

restrictions and regulations of the BOCA National Property Maintenance Code, or such other codes or ordinances which may be adopted by the Township of Oakland from time to time. Accordingly, the number of persons allowed to reside in any Unit shall be restricted by the size of the bedrooms and other areas of said Unit. Such restrictions shall automatically change, without the necessity of an amendment to this document, upon the adoption of alternative regulations by the Township of Oakland, such that the occupancy of all Units in the Condominium shall be in accordance with all Township regulations at all times.

SECTION 2. Leasing and Rental of Units.

A. Right to Lease. A Co-owner may lease his Unit for the same purposes set forth in Section 1 of this Article VII; provided that written disclosure of such lease transaction is submitted to the Board of Directors of the Association in the same manner as specified in subparagraph B. below. No Co-owner shall lease less than an entire Unit in the Condominium, and all leases shall be for a minimum initial term of six (6) months. Any such lease must be approved by the Association, and must be (i) require the lessee to comply with the Condominium Documents and Rules and Regulations of the Association; (ii) provide that failure to comply with the Condominium Documents and Rules and Regulations constitutes a default under the lease, and (iii) provide that the Board of Directors has the power to terminate the lease or to institute an action to evict the tenant and for money damages after 15 days' prior written notice to the Condominium Unit Co-owner, in the event of a default by the tenant in the performance of the lease. The Board of Directors may suggest or require a standard form lease for use by all Unit Co-owners. Each Co-owner of a Condominium Unit shall, promptly following the execution of any lease of a Condominium Unit, forward a conformed copy thereof to the Board of Directors. Copies of all leases in effect as of the effective date of these Amended and Restated Bylaws shall be provided to the Association within 14 days of said effective date. Under no circumstances shall transient tenants be accommodated. For purposes of the Section 2A, a "transient tenant" is a Non-Co-owner residing in a Condominium Unit for less than sixty days, who has paid consideration therefor. The terms of all leases, occupancy agreements and occupancy arrangements shall incorporate, or be deemed to incorporate, all of the provisions of the Condominium Documents and all leases, rental agreements and occupancy agreements shall so state. Tenant or lessee as referred to in this Section shall specifically not include housesitters.

B. Procedures for Leasing. The leasing of Units in the Project shall conform to the following provisions:

- (1) A Co-owner desiring to rent or lease a Condominium Unit, shall disclose that fact in writing to the Association at least twenty-one (21) days before presenting a Lease Form to a potential lessee, and shall supply the Association with a copy of the exact lease form for its review for its compliance with the Condominium Documents. The Association shall be entitled to approve or not approve any such proposed lease transaction in accordance with the provisions of this Section. If no lease form is to be used, then the Co-owner shall supply the Association with the name and address of the potential lessee or other occupant(s), along with the amount and due dates of any rental or compensation payable to the Co-owner, and the term of the proposed arrangement.

(2) Tenants or Non-Co-owner occupants shall comply with all of the conditions of the Condominium Documents of the Condominium Project and all leases and rental agreements shall so state.

(3) If the Association determines that the tenant or Non-Co-owner occupant has failed to comply with the conditions of the Condominium Documents, the Association shall take the following action:

(a) The Association shall notify the Co-owner by certified mail advising of the alleged violation by tenant.

(b) The Co-owner shall have fifteen (15) days after receipt of such notice to investigate and correct the alleged breach by the tenant or advise the Association that a violation has not occurred.

(c) If after fifteen (15) days the Association believes that the alleged breach is not cured or may be repeated, it may institute on its behalf or derivatively by the Co-owners on behalf of the Association an action for eviction against the tenant or Non-Co-owner and tenant or Non-Co-owner occupant for breach of the conditions of the Condominium Documents. The relief set forth in this Section may be by summary proceeding. The Association may hold both the tenant and the Co-owner liable for any damages caused by the Co-owner or tenant in connection with the Condominium Unit. The Co-owner shall be responsible for reimbursing the Association for all costs incurred in obtaining judicial enforcement of its rights, including actual attorney's fees.

(4) When a Co-owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying a Co-owner's Condominium Unit under a lease or rental agreement and the tenant, after receiving the notice shall deduct from rental payments due the Co-owner the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not be a breach of the rental agreement or lease by the tenant. If the tenant, after being notified, fails or refuses to remit rent, otherwise due the Co-owner, to the Association, then the Association may (1) issue a statutory Notice to Quit for non-payment of rent, and enforce that notice by summary proceedings, or (2) initiate proceedings pursuant to Section 112(4)(b) of the Act.

SECTION 3. Alterations and Modifications.

A. Alterations and Modifications. No Co-owner shall make alterations in exterior appearance or make structural modifications to any Unit (including interior walls through or in which there exist easements for support or utilities) or make changes, including changes in use, in any of the Common Elements, limited or general, without the express written approval of the Board of Directors, including but not limited to, exterior painting, replacement of windows, or the erection of lights, awnings, shutters, doors, newspaper holders, mailboxes, spas, hot tubs, decks, structures, fences, walls, landscaping or other exterior attachments or modifications. The erection of antennas, DBS reception devices, and other technologies regulated by the

Federal Communications Commission, shall be in accordance with duly promulgated rules and regulations of the Association, which shall at all times be construed so as not to violate FCC regulations applicable thereto. No Co-owner shall in any way restrict access to any plumbing, water line, water line valves, water meter, sprinkler system valves or any other element that must be accessible to service the Common Elements or any element which affects an Association responsibility in any way. Should access to any facilities of any sort be required, the Association may remove any coverings or attachments of any nature that restrict such access and will have no responsibility for repairing, replacing or reinstalling any materials, whether or not installation thereof has been approved hereunder, that are damaged in the course of gaining such access, nor shall the Association be responsible for monetary damages of any sort arising out of actions taken to gain necessary access. The Co-owner shall be responsible for the maintenance and repair of any such modification or improvement. In the event that the Co-owner fails to maintain and/or repair said modification or improvement to the satisfaction of the Association, the Association may undertake to maintain and/or repair same and assess the Co-owner the costs thereof and collect same from the Co-owner in the same manner as provided for the collection of assessments in Article II hereof. The Co-owner shall indemnify and hold the Association harmless from and against any and all costs, damages, and liabilities incurred in regard to said modification and/or improvement.

B. Modifications or Improvements to Accommodate the Disabled. Notwithstanding the previous subparagraph A, a Co-owner may make improvements or modifications to the Co-owner's Condominium Unit, including Common Elements and the route from the public way to the door of the Co-owner's Condominium Unit, at the Co-owner's expense, if the purpose of the improvement or modification is to facilitate access to or movement within the Unit for persons with disabilities who reside in or regularly visit the unit or to alleviate conditions that could be hazardous to persons with disabilities who reside in or regularly visit the unit, subject to the following:

- (1) The improvement or modification shall not impair the structural integrity of a structure or otherwise lessen the support of a portion of the Condominium Project, nor unreasonably prevent passage by other residents of the Condominium Project upon the Common Elements.
- (2) The Co-owner shall be liable for the cost of repairing any damage to a Common Element caused by building or maintaining the improvement or modification, and such improvement or modification shall comply with all applicable state and local building requirements and health and safety laws and ordinances and shall be made as closely as possible in conformity with the intent of applicable prohibitions and restrictions regarding safety and aesthetics of the proposed modification.
- (3) Before an improvement or modification allowed by this subsection is made the Co-owner shall submit plans and specifications for such alteration to the Association for approval. If the proposed alteration substantially conforms to the requirements of this subsection, the Association shall not deny the same without good cause. A denial shall be in writing, delivered to the Co-owner, listing the changes needed for the proposed alteration to conform. Any requests for approval by the Association under this subsection shall be acted upon not later than sixty

(60) days after the required plans and specifications are submitted. Failure of the Association to approve or deny a request within the sixty (60) day period shall entitle the Co-owner to undertake the alteration without the approval of the Association.

(4) Any Co-owner making an alteration pursuant to this subsection shall maintain liability insurance and provide the Association with proof thereof prior to undertaking the alteration or modification, underwritten by an insurer authorized to do business in this state, in an amount adequate to compensate for personal injuries caused by the exterior improvement or modification, and naming the Association as an additional insured, but the Co-owner shall not be liable for acts or omissions of the Association with respect to the exterior alteration, and the Co-owner shall not be required to maintain liability insurance with respect to any Common Element.

(5) Responsibility for the cost of any maintenance, repair or replacement of an exterior alteration allowed by this Section shall be in accordance with the provisions of Section 47(a) of the Michigan Condominium Act.

(6) A Co-owner having made an improvement or modification allowed by this subsection shall notify the Association in writing of the Co-owner's intention to convey any interest in or lease (if permitted) his or her Condominium Unit to another, not less than thirty (30) days before the effective date of the conveyance or permitted lease. Not more than thirty (30) days after receiving such a notice, the Association may require that the Co-owner remove the improvement or modification and restore the premises at the Co-owner's expense. In the absence of the required notice of conveyance or permitted lease, the Association may at any time remove or require the Co-owner to remove the improvement or modification at the Co-owner's expense, however, the Association may not remove or require the removal of an improvement or modification if the Co-owner intends to resume residing in the Unit within 12 months or a Co-owner conveys or leases (if permitted) the Condominium Unit to a person with disabilities who needs the same type of improvement or modification, or who has a person residing with him or her who requires the same type of improvement or modification. As used in this Section, "person with disabilities" means that term as defined in Section 2 of the state construction code act of 1972 – MCL 125.1502.

SECTION 4. Conduct upon the Condominium Premises. No noxious, improper, unlawful or offensive activity shall be carried on or upon the Common Elements, Limited or General, or any Unit, nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium, nor shall any unreasonably noisy activity be carried upon the Common Elements or any Unit. There shall not be maintained any animals or device or thing of any sort whose normal activities or existence is in any way noxious, noisy, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the reasonable enjoyment of other Units in the Condominium. The Board of Directors of the Association shall be the final arbiter of whether a particular animal, device, or thing is in violation of the foregoing restrictions, and disputes among Co-owners that can not be amicably resolved shall be

arbitrated by the disputing Co-owners. No Co-owner shall do or permit anything to be done or keep or permit to be kept on his Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without written approval of the Association and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition.

SECTION 5. Animals upon the Condominium Premises. No animal, except for two (2) household pets, shall be kept or allowed on the Condominium Premises by any Co-owner. Any such approval shall be revocable at any time by the Association for failure of such pets or their owners to abide by the provisions of this Section and the Rules and Regulations of the Association pertaining to the keeping of pets.

A. Restrictions Applicable to Pets in the Project. No animals may be kept or bred for any commercial purpose. Any pets permitted to be kept in the Condominium shall have such care and restraint as not to be obnoxious on account of noise, odor or unsanitary conditions. No animal may be permitted to be loose upon the Common Elements and any animal shall at all times be leashed when outdoors with the leash being held and controlled at all times by a responsible adult person in accordance any ordinances of the Township of Oakland that may apply. All pets shall be restricted to relieving themselves in any area designated therefor by the Board of Directors. Each Co-owner shall be responsible for the collection and disposition of all fecal matter deposited by any animal maintained by such Co-owner, anywhere in the Condominium Project. No savage or dangerous animal of any type shall be kept and any Co-owner who causes any animal to be brought, maintained or kept on the premises of the Condominium for any length of time shall indemnify and hold harmless the Association for any loss, damage or liability, including attorney fees and costs, which the Association may sustain as a result of the presence of such animal on the premises, whether such animal is permitted or not, and the Association may assess and collect from the responsible Co-owner such losses and/or damages in the manner provided in Article II hereof. No animal which creates noise and can be heard on any frequent or continuing basis shall be kept in any Unit or on the Common Elements. The Association may charge all Co-owners maintaining animals a reasonable additional assessment to be collected in the manner provided in Article II of these Bylaws in the event that the Association determines such assessment necessary to defray the maintenance costs to the Association of accommodating animals within the Condominium. All animals kept in accordance with this Section shall be licensed by the municipal agency having jurisdiction, and proof of the animal's shots shall be provided to the Association. The term "animal" or "pet" as used in this section shall not include fish. Any exotic pets or animals are strictly prohibited.

B. Association Remedies. The Association may adopt such additional reasonable rules and regulations with respect to animals, as it may deem proper. The Association may, after notice and hearing, without liability to the owner thereof, remove or cause to be removed any animal from the Condominium which it determines to be in violation of the restrictions imposed by this Section or by any applicable rules and regulations of the Association. The Association may also assess fines for such violation of the restrictions imposed by this Section or by any applicable rules and regulation of the Association.

SECTION 6. Use of Common Elements. The Common Elements, limited or general, shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association. All rubbish,

trash, garbage and other waste shall be regularly removed from each Unit and shall not be allowed to accumulate therein. Trash receptacles shall be maintained in areas designated therefor at all times, and shall not be permitted to remain elsewhere on the Common Elements, except for such short periods of time established by the Board of Directors as necessary to permit periodic collection of trash. The Common Elements shall not be used in any way for the drying or airing of clothing or other fabrics. In general, no activity shall be carried on nor condition maintained by a Co-owner either in his Unit or upon the Common Elements, which detracts from or spoils the appearance of the Condominium. No unsightly condition shall be maintained on any courtyard, porch, patio, or deck, and only furniture and equipment consistent with the normal seasonal use of such areas shall be permitted in such areas.

SECTION 7. Obstruction of Common Elements. The Common Elements shall not be obstructed in any way nor shall they be used for purposes other than for which they are reasonably and obviously intended. No bicycles, vehicles, chairs, benches, toys, baby carriages, obstructions or other personal property may be left unattended on or about the Common Elements.

SECTION 8. Vehicles upon the Condominium Premises. No recreational vehicles of any kind, such as pickup campers, house trailers, boat trailers, watercraft of any kind, boats, motor homes, camping vehicles/trailers, snowmobiles, snowmobile trailers, trailers of any other kind, aircraft, off-the-road vehicles, all terrain vehicles, commercial vehicles or vehicles other than automobiles and non-commercial pick-up trucks, SUVs and passenger vans, used as an occupant's primary means of transportation, and not for any commercial purposes, may be parked or stored upon the premises of the Condominium, except in accordance with the provisions of this Section. No Co-owner shall use, or permit the use by an occupant, agent, employee, invitee, guest or member of his/her family of any casual, personal, motorized transportation or entertainment anywhere within the Project, including, but not limited to, motorized scooters, mo-peds, go-carts, dirt bikes and the like. Motorcycles used for personal transportation purposes only shall be permitted to be kept within Unit garages, provided the same are equipped and operated only on the roads within the Condominium so as to not be objectionable to other Co-owners on account of noise.

A. Temporary Presence. The Board of Directors shall have discretion to issue rules and regulations which provide for the temporary presence of the above enumerated recreational/leisure vehicles upon the Condominium Premises for proper purposes, such as loading and unloading of said vehicles. The Association shall not be responsible for any damages, costs, or other liability arising from any failure to approve the parking of such vehicles or to designate an area therefor.

B. Commercial Vehicles. Commercial vehicles and trucks shall not be parked in or about the Condominium unless while making deliveries or pickups in the normal course of business. For purposes of this Section, commercial vehicles shall include vehicles or trucks with a curb weight of more than 10,000 pounds, overall length in excess of 19 feet, or with more than two axles, vehicles with commercial license plates, vehicles with any commercial markings or advertising appearing on the exterior, vehicles not intended for personal transportation, or any vehicle either modified or equipped with attachments, equipment or implements of a commercial trade, including, but not limited to, storage racks, ladder or material racks, snow blades, tanks, spreaders, storage bins or containers, vises, commercial towing equipment or

similar items. For purposes of this Section, passenger vans, SUVs and pick-up trucks, used for primary transportation, and no commercial purpose whatsoever, shall not be considered commercial vehicles provided they do not meet the definition of a commercial vehicle contained herein. The Association shall not be responsible for any damages, costs, or other liability arising from any failure to approve the parking of such vehicles or to designate an area thereof.

C. Standing Vehicles, Repairs. Non-operational vehicles or vehicles with expired license plates shall not be parked or stored on the Condominium Premises.

D. Parking Restrictions. No parking of any vehicles whatsoever shall be allowed in designated fire lanes or in violation of duly promulgated rules and regulations of the Association.

E. Association Rights. The Association may promulgate additional rules, regulations and policies relative to the keeping of various vehicles within the Condominium. The Association may cause vehicles parked or stored in violation of this Section, or of any applicable rules and regulations of the Association, to be stickered and/or removed (towed) from the Condominium Premises, and the cost of such removal may be assessed to, and collected from, the Co-owner of the Unit responsible for the presence of the vehicle in the manner provided in Article II hereof. In such cases, the Co-owner shall be responsible for costs incurred in having a towing company respond, even if the vehicle is moved and properly parked before the towing contractor arrives at the Condominium. The Board of Directors may promulgate reasonable rules and regulations governing the parking and use of vehicles in the Condominium Project consistent with the provisions hereof, and may levy fines for violations of such rules and regulations or this Section. The Association may also construct such additional parking facilities on the General Common Elements as the Association, in its discretion, determines to be necessary, and may assign such spaces to units on an equitable basis.

SECTION 9. Prohibition of Dangerous Items upon the Condominium Premises. No Co-owner shall use, or permit the use by an occupant, agent, employee, invitee, guest or member of his family of any firearms, air rifles, pellet guns, B-B guns, bows and arrows, slingshots, or other similar dangerous weapons, projectiles or devices anywhere on or about the Condominium Premises, nor shall any Co-owner use or permit to be brought into the Condominium any explosives. Volatile or flammable material or other items deemed to be hazardous to life, limb, or property, shall not be allowed on or about the Condominium Premises without in each case being stored in federally approved containers.

SECTION 10. Signs upon the Condominium Premises. No signs or advertising devices, except one professional sign of not more than 5 square feet advertising the Unit for sale or lease and displayed in accordance with all Association Rules and Regulations, shall be displayed so as to be visible from the Common Elements without written permission from the Association.

SECTION 11. Regulations Consistent with the Act. Reasonable regulations consistent with the Act, the Amended and Restated Master Deed, and these Bylaws, concerning the use of the Common Elements or the rights and responsibilities of the Co-owners and the Association with respect to the Condominium or the manner of operation of the Association and

of the Condominium may be made and amended from time to time by any Board of Directors of the Association. Copies of all such regulations and amendments thereto shall be furnished to all Co-owners and shall become effective as stated in said rule or regulation.

SECTION 12. Association Access to Units and/or Limited Commons Elements. The Association or its duly authorized agents shall have access to each Unit and any Limited Common Elements appurtenant thereto from time to time, during reasonable working hours, upon notice to the Co-owner thereof, as may be necessary for the maintenance, repair or replacement of any of the Common Elements or other elements for which the Association has or has assumed responsibility. The Association or its agents shall also have access to each Unit and any Limited Common Elements appurtenant thereto at all times without notice as may be necessary to make emergency repairs to prevent damage to the Common Elements or to another Unit. It shall be the responsibility of each Co-owner to provide the Association with a telephone number for emergency purposes and means of access to his Unit and any Limited Common Elements appurtenant thereto during all periods of absence and in the event of the failure of such Co-owner to provide means of access, the Association may gain access in such manner as may be reasonable under the circumstances, at the Co-owner's expense, and shall not be liable to such Co-owner for any necessary damage to his Unit and any Limited Common Elements appurtenant thereto caused thereby or for repair or replacement of any doors or windows damaged in gaining such access.

SECTION 13. Landscaping and Decoration of Common Elements. No Co-owner shall perform any landscaping, plant, trim or remove any trees or shrubs or place any ornamental materials, including but not limited to statuary, bird feeders, exterior lighting, furniture, implements, rocks or boulders, fencing or other decorative items upon the Common Elements, Limited or General, unless the same is approved by the Association in writing, and is in total conformance with the Association's policies on landscaping as are published from time to time. Any landscaping performed by the Co-owner and any such trees or shrubs planted by the Co-owner, if and when approved, shall be the responsibility of the Co-owner to maintain. In the event that such Co-owner fails to adequately maintain such landscaping performed by the Co-owner and any such trees, shrubs, or flowers planted by the Co-owner to the satisfaction of the Association, the Association shall have the right to perform such maintenance, or to remove the same and restore the area to its previously existing condition, and assess and collect from the Co-owner the cost thereof in the manner provided in Article II hereof. The Co-owner shall also be liable for any damages to the Common Elements or other Units arising from the performance of such landscaping or the planting of such trees or shrubs, or the continued maintenance thereof. Should access to any Common Elements of any sort be required, or should any materials specified in this Section interfere with maintenance or services provided by the Association, the Association may remove any obstructions of any nature that restrict such access and/or services and will have no responsibility for repairing, replacing or reinstalling any materials, whether or not installation thereof has been approved hereunder, that are damaged in the course of gaining such access and/or performance of such services, nor shall the Association be responsible for monetary damages of any sort arising out of any such actions.

SECTION 14. Co-owner Maintenance of Unit and Limited Common Elements. Each Co-owner shall maintain his Unit and any Limited Common Elements appurtenant thereto for which he has maintenance responsibility in a safe, clean and sanitary condition. Each Co-

owner shall also use due care to avoid damaging any of the Common Elements, including, but not limited to, the telephone, water, gas, plumbing, electrical, cable TV or other utility conduits and systems and any other Common Elements in any Unit which are appurtenant to or which may affect any other Unit. Each Co-owner shall be responsible for damages or costs to the Association resulting from damage to or misuse of any of the Common Elements by him, or his family, guests, agents or invitees, or by casualties and occurrences, whether or not resulting from Co-owner negligence, involving items or common elements which are the responsibility of the Co-owner to maintain, repair and replace, unless such damages or costs are covered by primary insurance carried by the Association, in which case there shall be no such responsibility (unless reimbursement to the Association is excluded by virtue of a deductible provision, in which case the responsible Co-owner shall bear the expense to the extent of the deductible amount.) Any costs or damages to the Association may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof. Each individual Co-owner shall indemnify the Association and all other Co-owners against such damages and costs, including attorneys' fees, and all such costs or damages to the Association may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof. The Co-owners shall have the responsibility to report to the Association any Common Element which has been damaged or which is otherwise in need of maintenance, repair or replacement as soon as it is discovered.

No fences, walls, dog kennels or dog runs are permitted within the Condominium. No window or through the wall air conditioning unit shall be placed in or attached to a Unit. No solar panel, solar collector or similar device is permitted within the Condominium. Basketball hoops and play areas, if allowed, must conform to the rules, regulations and policies of the Association, and must be approved in writing.

SECTION 16. Application of Restrictions to the Association. None of the restrictions contained in this Article VI shall apply to the activities of the Association in furtherance of its powers and purposes set forth herein, the Amended and Restated Master Deed and in its Articles of Incorporation, as the same may be amended from time to time.

SECTION 17. Costs of Enforcing Documents. Any and all costs, damages, fines, expenses and/or actual attorneys fees incurred or levied by the Association in enforcing any of the restrictions set forth in this Article VI and/or rules and regulations promulgated by the Board of Directors of the Association under Article VI, Sections 5 and 11 of these Bylaws, and any expenses incurred as a result of the conduct of less than all those entitled to occupy the Condominium Project, or by their licensees or invitees, may be assessed to, secured by the statutory lien on the Unit and collected from the responsible Co-owner or Co-owners in the manner provided in Article II hereof. This specifically includes actual costs and legal fees incurred by the Association in investigating and seeking legal advice concerning violations, and responding to and defending actions relating to violations in small claims court, or any other court of competent jurisdiction.

SECTION 18. Association Approvals Revocable. All approvals given by the Association in accordance with these Bylaws shall be revocable and in the nature of a license, and can be withdrawn upon thirty (30) days written notice in the event of noncompliance with the conditions

of such approval.

SECTION 19. Declaration Restrictions. The Condominium is subject to the restrictions contained in the Declaration related to the areas and facilities under the control and/or jurisdiction of the Master Association, including those restrictions on the use of Community Areas and Facilities, Common Stormwater Facilities, Shared Use Areas, the entrance roadways, Open Spaces, Wetlands and Conservation Areas.

The Association shall give to the holder of any first mortgage covering any Unit in the Project written notification of any default in the performance of the obligations of the Co-owner of such Unit that is not cured within sixty (60) days.

SECTION 2. Notification to Mortgagee of Insurance Company. The Association shall notify each mortgagee appearing in said book of the name of each company insuring the Condominium Common Elements against fire, perils covered by extended coverage, and vandalism and malicious mischief and the amounts of such coverage.

SECTION 3. Notification to Mortgagee of Meetings. Upon request submitted to the Association, any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive written notification of every meeting of the members of the Association and to designate a representative to attend such meeting.

ARTICLE VIII

MEMBERSHIP AND VOTING

SECTION 1. Membership in the Association. Membership in the Association and voting by members of the Association shall be in accordance with the following provisions:

A. Designation of Members. Each Co-owner shall be a member of the Association and no other person or entity shall be entitled to membership.

B. Co-owner's Share of the Funds. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to a Unit in the Condominium.

C. Co-owner Voting Designation. Except as limited in these Restated Bylaws, each Co-owner shall be entitled to one vote for each Condominium Unit owned, provided that said Co-owner is in good standing and not in default of any payment of regular or special assessments against said Co-owner's Unit or in violation of any provisions of the Condominium

Documents. Voting shall be by number. In the case of any Unit owned jointly by more than one Co-owner, the voting rights appurtenant to that Unit may be exercised only jointly as a single vote.

D. Evidence of Ownership for Voting Purposes. No Co-owner shall be entitled to vote at any meeting of the Association until he has presented evidence of ownership of a Unit in the Condominium Project to the Association. The vote of each Co-owner may be cast only by the Co-owner or by a proxy given by such individual representative.

E. Designation of Voting Representative. Each corporate, partnership, LLC or other business or legal entity Co-owner, that is not a natural person, shall file a written notice with the Association designating the individual representative who shall vote at meetings of the Association (one vote per Unit) and receive all notices and other communications from the Association on behalf of such Co-owner. Such notice shall state the name and address of the individual representative designated, the number or numbers of the Condominium Unit or Units owned by the Co-owner, and the name and address of each person, firm, corporation, partnership, LLC, association, trust or other entity that is the Co-owner. Such notice shall be signed and dated by the Co-owner. The individual representative designated may be changed by the Co-owner at any time by filing a new notice in the manner herein provided. At any meeting the filing of such written notice as a prerequisite to voting may be waived by the chairman of the meeting.

F. Quorum. The presence in person or by proxy of thirty-five percent (35%) in number of the Co-owners qualified to vote shall constitute a quorum for holding a meeting of the members of the Association, except for voting on questions specifically required herein to require a greater quorum. The written vote of any person furnished at or prior to any duly called meeting at which meeting said person is not otherwise present in person or by proxy, or by such date as is established for voting in cases where no meeting is held, shall be counted in determining the presence of a quorum with respect to the question upon which the vote is cast.

G. Voting. Votes may be cast in person, in writing duly signed by the designated voting representative, or by any other means allowed by the voting procedures adopted by the Association for a given vote, provided the same are not in violation of the provisions of these Restated Bylaws. Any proxies, written votes or other votes cast by means allowed hereunder must be filed with the Secretary of the Association at or before the appointed time of each meeting of the members of the Association or voting deadline if no meeting is held. Votes may be cast by mail, fax, delivery, e-mail or any other method approved by the Association in advance of the vote. Cumulative voting shall not be permitted.

H. Majority. Unless otherwise provided, any action which could be authorized at a meeting of the members shall be authorized by the vote of a simple majority in number of those Co-owners voting in person or by proxy at said meeting, or by alternative means, in accordance with the provisions of these Bylaws. Whenever provided specifically herein, a majority may be required to exceed the simple majority hereinabove set forth.

I. Action Without Meeting. Any action which may be taken at a meeting of the members (except for the election or removal of Directors) may be taken without a meeting by written ballot of the members. Ballots shall be solicited in the same manner (with respect to notice) as provided in Article IX, Section 4, hereof. Such solicitations shall specify (a) the number of responses needed to meet the quorum requirements; (b) the percentage of approvals necessary to approve the action; and (c) the time by which ballots must be received in order to be counted. The form of written ballot shall afford an opportunity to specify a choice between approval and disapproval of each matter and shall provide that, where the member specifies a choice, the vote shall be cast in accordance therewith. Approval by written ballot shall be constituted by receipt, within the time period specified in the solicitation, of (i) a number of ballots which equals or exceeds the quorum which would be required if the action were taken at a meeting; and (ii) a number of approvals which equals or exceeds the number of votes which would be required for approval if the action were taken at a meeting at which the total number of votes cast was the same as the total number of ballots cast. Votes may be cast in accordance with this paragraph by mail, hand delivery, electronically or by facsimile.

J. Consent of Absentees. The transactions at any meeting of members, either annual or special, however called and noticed, shall be as valid as though made at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy; and if, either before or after the meeting, each of the members not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

SECTION 2. Records and Books of the Association. The Association shall keep detailed books of account showing all expenditures and receipts of administration which shall specify the maintenance and repair expenses of the Common Elements and any other expenses incurred by or on behalf of the Association and the Co-owners. Such accounts and all other Association records shall be open for inspection by the Co-owners and their mortgagees during reasonable working hours. The Association shall prepare and distribute to each Co-owner at least one (1) time a year a financial statement, the contents of which shall be defined by the Association. The books of account shall be "reviewed" at least annually by qualified independent auditors; provided, however, that such auditors need not be certified public accountants nor does such audit need to be a certified audit. Any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive a copy of such annual audited financial statement within ninety (90) days following the end of the Association's fiscal year upon request therefor. The costs of any such audit and any accounting expenses shall be expenses of administration. The Association also shall maintain on file current copies of the Amended and Restated Master Deed for the Project, any amendments thereto and all other Condominium Documents and shall permit all Co-owners, prospective purchasers and prospective mortgagees interested in the Project to inspect the same during reasonable business hours.

ARTICLE IX

SECTION 1. Place of Meetings. Meetings of the Association members shall be held at any suitable place convenient to the co-owners as may be designated by the Board of Directors. Meetings of the Association members shall be conducted in accordance with Roberts Rules of Order or some other generally recognized manual of parliamentary procedure, when not otherwise in conflict with the Articles of Incorporation, the Master Deed or the laws of the State of Michigan. Only Co-owners in good standing, and their legal representatives, may speak at meetings of the Association and/or address the Board or co-owners at any such meetings. Any person in violation of this provision or the rules of order governing the meeting may be removed from such meeting, without any liability to the Association or its Board of Directors.

Thereafter, the annual meetings of members of the Association shall be held in the month of October each succeeding year at such time and place as shall be determined by the Board of Directors. The Board of Directors may, acting by a majority vote, change the date of the annual meeting in any given year provided that at least one such meeting is held in each calendar year. The President shall also call a special meeting upon a petition signed by one third (1/3) of the co-owners in number presented to the Secretary of the Association. Notice of any special meeting shall state the time and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

The mailing, postage prepaid, of a notice to the representative of each co-owner at the address shown in the notice required to be filed with the Association by Article VIII, Section 1.E of these Bylaws or to the address of the unit owned by the co-owner shall be deemed notice served. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver when filed in the records of the Association shall be deemed due notice.

SECTION 5. Adjournment for Lack of Quorum. If any meeting of owners cannot be held because a quorum is not in attendance, the owners who are present may adjourn the meeting

to a time not less than forty-eight (48) hours from the time the original meeting was called. The quorum for each subsequent meeting shall be reduced by one-half from the quorum requirement of the previously scheduled meeting.

SECTION 6. Minutes. Minutes or a similar record of the proceedings of meetings of members, or of the Board of Directors, when signed by the President or Secretary, shall be presumed truthfully to evidence the matters set forth therein. A recitation in the minutes of any such meeting that notice of the meeting was properly given shall be prima facie evidence that such notice was given.

ARTICLE X

SECTION 1. Qualification and Number of Directors. The Board of Directors shall be comprised of five (5) members all of whom must be members of the Association or officers, partners, trustees, employees or agents of members of the Association. Notwithstanding the foregoing, in no event shall the Board of Directors enter into any contract or agreement or grant any easement, license or right of entry or do any other act or thing which would violate any provision of any federal, state or local law or ordinance. Any and all sums paid by any Telecommunications or any other company or entity in connection with such service, including fees, if any, for the privilege of installing same, or sharing periodic subscriber service fees, shall be receipts affecting the administration of the Condominium, within the meaning of the Act, and shall be paid over to and shall be the property of the Association.

limited to, the duties listed in Section 3 of this Article X, and the Board may delegate to such management agent any other duties or powers which are not by law or by the Condominium Documents required to be performed by or have the approval of the Board of Directors or the members of the Association. In no event shall the Board be authorized to enter into any contract with a professional management agent in which the maximum term is greater than three (3) years, or which is not terminable by the Association upon ninety (90) days' written notice, with or without cause, to the other party. In the event the Board does employ professional management for the Association, the Board shall secure the written approval of each institutional holder of a first mortgage lien on any Unit in the Condominium prior to terminating professional management and assuming self management.

SECTION 5. Vacancies. Vacancies in the Board of Directors caused by any reason other than the removal of a director by a vote of the members of the Association shall be filled by vote of the majority of the remaining directors, even though they may constitute less than a quorum. The quorum requirement for the purpose of filling any vacancy shall be the normal 25% requirement set forth in Article VIII, Section 1F. Any director whose removal has been proposed by the co-owners shall be given an opportunity to be heard at the meeting.

SECTION 7. First Meeting of New Board. The first meeting of a newly elected Board of Directors shall be held within thirty (30) days of election at such place and time as shall be fixed by the directors at the meeting at which such directors were elected, and no notice shall be necessary to the newly elected directors in order legally to constitute such meeting, provided a majority of the entire Board is present at such a meeting.

SECTION 8. Regular Meetings. Regular meetings of the Board of Directors may be held at such times and places as shall be determined from time to time by a majority of the directors. At least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Directors shall be given to each director, personally, or by mail, electronically or by telephone prior to the date named for such meeting, unless waived by said director.

SECTION 9. Special Meetings. Special meetings of the Board of Directors may be called by the president on notice to each director, given personally, or by mail, electronically or by telephone, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the president or secretary in like manner and on like notice on the written request of two directors.

SECTION 10. Waiver of Notice. Before or at any meeting of the Board of Directors, any director may, in writing or orally, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. SECTION 11. Quorum. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the acts of the majority of the directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If, at any meeting of the Board of Directors, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a director in the action of a meeting by signing and concurring in the minutes thereof, shall constitute the presence of such director for purposes of determining a quorum.

SECTION 12. Action Without Meeting. Any action permitted to be taken by the Board of Directors at a meeting of the Board shall be valid if consented to in writing by the requisite majority of the Board of Directors. Further, the presiding officer of the Association, in exceptional cases requiring immediate action, may poll all Directors by phone or e-mail for a vote, and provided the action is consented to by the requisite number of Directors, such vote shall constitute valid action by the Board, provided the results of the vote and the issue voted upon are noted in the minutes of the next Board meeting to take place.

SECTION 13. Closing of Board of Directors' Meetings to Members; Privileged Minutes. The Board of Directors, in its discretion, for good and sufficient reason, may close a portion or all of any meeting of the Board of Directors to the members of the Association or may permit members of the Association to attend a portion or all of any meeting of the Board of Directors. Any member of the Association shall have the right to inspect, and make copies of, the minutes of the meetings of the Board of Directors; provided, however, that no member of the Association shall be entitled to review or copy any minutes of meetings of the Board of Directors to the extent that said minutes reference privileged communications between the Board of Directors and counsel for the Association, or any other matter to which a privilege against disclosure pertains under Michigan Statute, common law, the Michigan Rules of Evidence, or the Michigan Court Rules.

SECTION 14. Fidelity Bonds. The Board of Directors shall require that all officers and employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premiums for such bonds shall be expenses of administration.

SECTION 4. President. The president shall be the chief executive officer of the Association, and shall preside at all meetings of the Association and of the Board of Directors. The president shall have all of the general powers and duties which are usually vested in the office of the president of a corporation, including, but not limited to, the power to appoint committees from among the members of the Association from time to time in the president's discretion as may be deemed appropriate to assist in the conduct of the affairs of the Association.

SECTION 5. Vice President. The vice president, if one is appointed, (or any other Director or Officer appointed by the Board in the absence of a Vice president) shall take the place of the president and perform the president's duties whenever the president shall be absent or unable to act. If neither the president nor the vice president, if appointed, are able to act, the Board of Directors shall appoint some other member of the Board to so do on an interim basis. The commencement date of the fiscal year of the Association shall be subject to change by the Board of Directors for accounting reasons or other good cause.

SECTION 2. Banking. The funds of the Association shall be deposited in such bank or other depository as may be designated by the Board of Directors and shall be withdrawn only upon the check or order of such officers, employees or agents as are designated by resolution of the Board of Directors from time to time.

SECTION 3. Investment of Funds. Funds of the Association shall only be held in accounts that are fully insured and/or backed by the full faith and credit of the United States Government. Only depositories or instruments where there is no risk of principal loss may be utilized by the Association for investment of its monies.

ARTICLE XIII

INDEMNIFICATION

SECTION 1. Indemnification of Directors and Officers. Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including actual and reasonable counsel fees and amounts paid in settlement incurred by or imposed upon the director or officer in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, to which the director or officer may be a party or in which he/she may become by reason of his/her being or having been a director or officer of the Association, whether or not he/she is a director or officer at the time such expenses are incurred, except in such cases wherein the director or officer is adjudged guilty or willful or wanton misconduct or gross negligence in the performance of the director's or officer's duties, and except as otherwise prohibited by law; provided that, in the event of any claim for reimbursement or indemnification hereunder based upon a settlement by the director or officer seeking such reimbursement or indemnification, the indemnification herein shall apply only if the Board of Directors (with the director seeking reimbursement abstaining) approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may be entitled. At least ten (10) days prior to payment of any indemnification which it has approved, the Board of Directors shall notify all Co-owners thereof.

SECTION 2. Directors' and Officers' Insurance. The Association shall provide liability insurance for every director and every officer of the Association for the same purposes provided above in Section 1 and in such amounts as may reasonably insure against potential liability arising out of the performance of their respective duties. With the prior written consent of the Association, a director or an officer of the Association may waive any liability insurance for such director's or officer's personal benefit. No director or officer shall collect for the same expense or liability under Section 1 above and under this Section 2; however, to the extent that the liability insurance provided herein to a director or officer was not waived by such director or officer and is inadequate to pay any expenses or liabilities otherwise properly indemnifiable under the terms hereof, a director or officer shall be reimbursed or indemnified only for such excess amounts under Section 1 hereof.

ARTICLE XIV

SECTION 1. Compliance With The Documents. The Association of Co-owners and all present or future Co-owners, tenants, future tenants, or any other persons acquiring an interest in or using the facilities of the Condominium in any manner are subject to and shall comply with the provisions of the Act, Amended and Restated Master Deed, these Bylaws, the Articles of Incorporation of the Association and the Rules and Regulations of the Condominium. In the event that such Amended and Restated Master Deed, these Bylaws or Articles of Incorporation conflict with the provisions of any Statute, the Statute shall govern. ARTICLE XV

REMEDIES FOR DEFAULT

SECTION 1. Default by a Co-owner. Any default by a Co-owner shall entitle the Association or another Co-owner or Co-owners to the following relief:

A. Remedies for Default by a Co-owner to Comply with the Documents. Failure to comply with any of the terms or provisions of the Condominium Documents shall be grounds for relief, which may include without intending to limit the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien (if default in payment of assessment) or any combination thereof, and such relief may be sought by the Association, or, if appropriate, by an aggrieved Co-owner or Co-owners.

B. Costs Recoverable From Co-owner. Failure of a Co-owner and/or non-Co-owner resident or guest to comply with the Condominium Documents shall entitle the Association to recover from such Co-owner or non-Co-owner resident or guest the pre-litigation costs and actual reasonable attorneys' fees incurred in obtaining their compliance with the Condominium Documents. In addition, in any proceeding arising because of an alleged default by any Co-owner, or in cases where the Association must defend an action brought by any Co-owner(s) or non-Co-owner resident or guest, (regardless if the claim is original or brought as a defense, a counterclaim, cross claim or otherwise), the Association, if successful, shall be entitled to recover from such Co-owner or non-Co-owner resident or guest pre-litigation costs, the costs of the proceeding and actual attorney's fees (not limited to statutory fees), incurred in defense of any claim or obtaining compliance or relief, but in no event shall any Co-owner be entitled to recover such attorney's fees or costs against the Association.

C. Association's Right to Abate. The violation of any of the provisions of the

Condominium Documents shall also give the Association or its duly authorized agents the right, in addition to the rights set forth above, to enter upon the Common Elements, limited or general, or into any Unit, where reasonably necessary, and summarily remove and abate, at the expense of the Co-owner in violation, any structure, thing or condition existing or maintained contrary to the provisions of the Condominium Documents. The Association shall have no liability to any Co-owner arising out of its exercise of its removal and abatement power granted hereunder.

D. Assessment of Fines. The violation of any of the provisions of the Condominium Documents by any Co-owner shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines for such violations in accordance with Article XVI of these Bylaws. Fines may be assessed only upon notice to the offending Co-owners as prescribed in said Article XVI. Section 2, and after a hearing at which such Co-owner may, offer evidence in defense of the alleged violation. All fines duly assessed may be collected in the same manner as provided in Article II of these Bylaws.

SECTION 2. Failure to Enforce Rights. The failure of the Association or of any Co-owner to enforce any right, provision, covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or of any such Co-owner to enforce such right, provisions, covenant or condition in the future.

SECTION 3. Cumulative Rights. All rights, remedies and privileges granted to the Association or any Co-owner or Co-owners pursuant to any terms, provisions, covenants or conditions of the aforesaid Condominium Documents shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

SECTION 4. Rights of Co-owners. A Co-owner may maintain an action the Association to compel enforcement of the provisions of the Condominium Documents, and may maintain an action for injunctive relief or damages against any other Co-owner for noncompliance with the Condominium Documents. Even if successful, Co-owners may not recover attorneys fees from the Association, but may recover such fees from another Co-owner if successful in obtaining compliance with the Condominium Documents.

ARTICLE XVI

FINES

SECTION 1. General. The violation by any Co-owner, occupant or guest of any of the provisions of the Condominium Documents including any duly adopted rules and regulations shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines against the involved Co-owner. Such Co-owner shall be deemed responsible for such violations whether they occur as a result of his personal actions or the actions of his family, guests, tenants or any other person admitted through such Co-owner to the Condominium Premises.

SECTION 2. Procedures. Upon any such violation being alleged by the Board, the

following procedures will be followed:

A. Notice. Notice of the violation, including the Condominium Document provision violated, together with a description of the factual nature of the alleged offense set forth with such reasonable specificity as will place the Co-owner on notice as to the violation, shall be sent by first class mail, postage prepaid, or personally delivered to the Co-owner at the address on file with the Association. The Co-owner shall be given thirty (30) days in which to cure the violation and receive no fine.

B. Hearing. The offending Co-owner shall be scheduled for a hearing before the Board of Directors, at which time the Co-owner shall have an opportunity to offer evidence, in person or in writing, in defense of the alleged violation. The appearance before the Board shall be at its next scheduled meeting or the Board's earliest convenience, but in no event shall the Co-owner be required to appear less than 30 days from the date of the notice.

C. Default. Failure to appear at the hearing or respond in writing to the notice of violation by the date set for the hearing constitutes a default.

D. Hearing and Decision. Upon appearance by the Co-owner before the Board and presentation of evidence of defense in writing or in person, or, in the event of the Co-owner's default, the Board shall, by majority vote of a quorum of the Board, decide whether a violation has occurred. The Board's decision is final.

SECTION 3. Fines. Upon violation of any of the provisions of the Condominium Documents, and after default of the offending Co-owner, or upon the decision of the Board as recited above, the following fines may be levied:

- | | |
|--|---------------|
| 1. FIRST VIOLATION
(if no cure within 30 days) | \$25.00 Fine |
| 2. SECOND VIOLATION | \$50.00 Fine |
| 3. THIRD VIOLATION | \$100.00 Fine |
| 4. FOURTH VIOLATION
AND ALL SUBSEQUENT VIOLATIONS | \$200.00 Fine |

The Board of Directors, without the necessity of an amendment to these Bylaws, may make such changes in said fines or adopt alternative fines, including the indexing of such fines to the rate of inflation, in accordance with duly adopted Rules and Regulations promulgated in accordance with Article VI, Section 11 of these Bylaws. For purposes of this Section, the number of the violation (ie. first, second etc.) is determined with respect to the number of times that a Co-owner violates the same provision of the Condominium Documents, as long as that Co-owner may be an owner of a Unit or occupant of the Project, and is not based upon time or violations of entirely different provisions. In the case of continuing violations, a new violation will be deemed to occur each successive seven day period into which a violation continues. Nothing in this Article shall be construed as to prevent the Association from pursuing any other remedy under the Condominium Documents and/or the Act for such violations, or from

combining a fine with any other remedy or requirement to redress any violation.

SECTION 4. Collection. The fines levied pursuant to Section 3 above shall be assessed against the Co-owner and shall be due and payable together with the regular Condominium assessment on the first day of the next following month. Failure to pay the fine will subject the Co-owner to all liabilities set forth in the Condominium Documents including, without limitations, those described in Article II and Article XV of these Bylaws.

ARTICLE XVII
